Lim Cheng Rui

Game Programmer & Game Designer

Diploma in Media, Arts and Design (Animation & Games)

Profile

Student at the School of Media, Arts and Design specialising in game programming and game design. I design game UI, program game systems and tools, and make content, from a team-built game to a real-time AI VTuber. I work clearly, honestly and on time, and I like collaborating to get the best result.

Education

2024 – Present — **Singapore Polytechnic**

Diploma in Media, Arts and Design (Animation & Games) · School of Media, Arts and Design

- Vice-President of SP Wing Chun (2024 – 2025)
- Social media manager for SP Wing Chun
- Performer and booth operator for CCA Carnival 2024
- Activity planner for the collaboration with SP Karate and SP Aikido
- Participated in the Leap Camp (2024)

2020 – 2023 — **Junyuan Secondary School**

- President of Infocomm Technology (Computing)
- Participated in First Lego League and Hack@AC

2014 – 2019 — **Poi Ching School**

Game & interactive projects

Ministry of Organised Chaos

TEAM GAME · YEAR 2

System Programmer · Level Designer

Worked with a team of classmates in Year 2 to make this game, building the game systems and designing its levels. Gameplay video available on my portfolio.

Kon, my AI VTuber

PERSONAL PROJECT

Programmer · Creator

A VTuber with real-time vision that responds to text and voice.

Chibi NIKKE effect

TIKTOK EFFECT

Programmer · Basic 3D animation · Mapping

A chibi-style NIKKE effect made for TikTok.

Client feedback

> *"Cheng Rui's design fits perfectly with our club's theme."*
>
> SP WING CHUN

> *"The UI/UX made for the game helps our players have a better experience."*
>
> MONEYLESS STUDIO

Core values

Communication
Clear, honest and on time, with clubs, teams and clients.

Collaboration
Working with others to get the best result for the project.

Passion
Games, design and content creation, from game UI to an AI VTuber.

How I work

1. **Discovery** — Set clear goals together.
2. **Ideation** — Concepts tailored to your vision.
3. **Execution** — High-quality designs with precision.
4. **Delivery** — On time, and you're happy.
